I. JOB SUMMARY

Position overview:

Overall, the position of **Communication and Campaign Specialist** (CC Specialist) shall be responsible for promoting the growth of CDI through enhancing the organization's public image and profile and coordinating public awareness activities. This includes but not limited to the development of CDI's communication strategy and plans, design of communication events and campaign, support to the Program team on communication and management of CDI's communication channels and publications. The CC Specialist also participates in advocacy and networking in relevant development program/projects and/or joint initiatives. This position will work with a wide range of partners, staff, and external stakeholders. Strategic thinking, creativeness and effective management of relationships will be critical to success in the role.

Background information of the program/project(s):

In particular, the Communication and Campaign Specialist will be in charge of communication activities under STITCH program, a 5-year project of advancing workers' rights in garment industry. S/he will work closely with the STITCH Project Coordinator to ensure that communication activities and campaign will contribute to the overall objectives of the project.

II. SPECIFIC DUTIES AND RESPONSIBILITIES
